## "The Spirit of Us"

While spring technically begins in March, for me, the month of April is usually when things start feeling light and breezy. April is the month of renewal and new beginnings after a cold and dark winter season. The earth literally comes back to life with vibrant colors and warmer temperatures that carry a natural source of motivation. Enjoy the budding trees and the grass transforming into a green carpet. Every day is different and beautiful. So, make the most out of each day in April.

Live life with no excuses, travel with no regret. Join the Spirit Club for some exciting adventures. We have added another new tour for 2026, the beautiful paradise of Hawaii next January. Join us for a Travel Show highlighting Christmas in NYC, Hawaii and the Danube River Cruise on Thursday, April 24 at 6:00pm in the Community Room at the Sioux Center American State Bank.

As American Spirit Club members I hope you realize how important you are to our Am Bank Company. Many of you have been loyal customers and friends for many years and we appreciate you very much. Thank you for your continued patronage to American State Bank and American Bank.

*Easter spells out beauty,  
the rare beauty of new life*
