

JANUARY 2026

MAGICAL NEW YORK CITY

The American Spirit Club celebrated the holiday season in New York City during the first week of December. From the energy of Times Square to the festive Holiday Markets at Bryant Park, the city sparkled with lights and music. Highlights included the Rockettes' Christmas performance, the iconic Rockefeller Center tree, and the dazzling Fifth Avenue light displays. Members enjoyed a choice of three Broadway shows, met a Broadway artist, and reflected at the 9/11 Memorial and Museum. The itinerary also featured visits to Ellis Island and the Statue of Liberty, along with exceptional dining experiences and a Greenwich Village Food and Culture walking tour. Visiting the Big Apple was a trip of a lifetime for the members of our group.

SPIRIT CLUB RINGS IN THE HOLIDAYS WITH FESTIVE PERFORMANCE AND FINE DINING

On December 19, the Spirit Club ushered in the Christmas season with an evening of music and celebration at the Pipestone Performing Arts Center. Guests were treated to a captivating performance by Phil Thompson and his talented ensemble, featuring timeless holiday classics in the style of Michael Bublé and other legendary artists.

The festivities began with a delightful dining experience at the Stone House Restaurant, where members enjoyed exceptional cuisine and warm conversation. The event provided a perfect blend of entertainment and fellowship, creating a memorable start to the holiday season.

"The Spirit of Us"

The new year stands before us, like a chapter in a book, waiting to be written. As a valued American Spirit Club member, we're thrilled to invite you to participate in our members-only events and join our tours. Traveling with others who have similar interests is not only rewarding and fun, but it is also a wonderful way to create lasting friendships on a memorable journey. Group vacations create a feeling of safety and companionship that is enhanced by exploring exciting destinations. Let's make memories together! In this newsletter I have included 1-day trips, overnight tours and extended tours for 2026. Please note that there will be a few more day trips added throughout the year so keep checking your monthly newsletter. There is a sign-up sheet included. Please fill it out, sign the Terms & Conditions on the back of the form and send in your deposit as soon as possible. The past few years the tours have filled up very quickly. Please contact me if you have any questions about the tours.

On the second page of this publication is the information on the Activity Levels listed for each tour. It is a good idea to check this as some tours include more walking and standing than others.

Our offices will be closed on Monday, January 19, in observation of Martin Luther King Jr Day. For your convenience you may use our ATM machines and online banking.

Happy New Year and thank you for your continued loyalty to our company and the American Spirit Club.

Write it in your heart that every day is the best day in the year.

ACTIVITY LEVELS FOR TOURS

The American Spirit Club plans a variety of tours for all ages and capabilities. Some tours take more endurance, and others involve less walking and fewer steps to climb. Unfortunately, due to insurance and liability restrictions, neither the Spirit Club coordinator, nor the motor coach driver, is permitted to provide physical assistance to our guests. If a traveler can reasonably anticipate being in need of assistance on a tour, he or she should travel with a companion who is capable of providing that assistance. Please use the following guide for the activity levels for our tours. I will be adding the activity level to each description of the tours.
